STATEMENT OF CONFORMITY

*Mr. Antonello Strusi, as the delegated economic operator of the company
Industrie Celtex S.p.A, hereby.*

DECLARES

that the product

C72450 ABSOLUTE-V FOLDED HAND TOWEL 250X20

- *Has been manufactured in accordance with the requirements described in COMMISSION REGULATION (EC) No. 2023/2006 of 22 December 2006 on good manufacturing practice for materials and items intended to come into contact with food (Official Journal of the European Union (OJEU) L. 384/75 of 29.12.2006)*
- *Complies with the requirements set forth by the (EC) REGULATION N. 1935/2004 of the European Parliament and of the Council of 27 October 2004, regarding materials and items intended to come into contact with food and repealing directives 80/590/EEC and 89/109/EEC, Official Journal of the European Union L338/4 of 13/11/2004 as amended and supplemented;*
- *Complies with the requirements set forth in Presidential Decree 777/1982 of 23/8/82 as amended and supplemented, published in the Official Gazette No. 298 of 28/10/1982, Implementation of Directive no. 76/893/EEC on materials and items intended to come into contact with food.*
- *Complies with the requirements contained in the Ministerial Decree of 21/3/1973 as amended, issued by the Italian Minister of Health (Hygiene requirements for packaging, containers, utensils intended to come into contact with food or with items for personal use);*
- *Has been manufactured using raw materials and adjuvants that are on the positive lists of the legislation in force and complies with the composition and purity requirements established for contact with foodstuffs for which migration testing is required and with any specific restrictions that may apply.*

Mr. Antonello Strusi also declares that the abovementioned product has been analyzed by an accredited laboratory according to the international standard UNI CEI EN ISO/IEC 17025:2005 under the following regulations:

- *Art. 3 Reg. 1935/2004/EC of the European Parliament and of the Council of 27 October 2004 on materials and items intended to come into contact with food;*
- *Ministerial Decree of 21/3/1973 issued by the Italian Minister of Health (Hygiene requirements for packaging, containers, utensils intended to come into contact with food or with items for personal use);*
- *Recommendation XXXVI of the German BfR (Federal Institute for Risk Assessment) (Paper and board for food contact, Rev. 01/06/2019);*
- *Décret n° 766/07 - Fiche Papier et Carton MCDA n° 4 (V02 - 01/01/2019) "Aptitude au contact alimentaire des matériaux organiques à base de fibres végétales destinés à entrer en contact avec des denrées alimentaires"*

With reference to the Statement of Conformity issued, it is hereby declared that:

- * The finished product is NOT suitable for any contact with foodstuffs under freezing and refrigerating conditions;
- * The finished product is NOT suitable for use in a microwave oven together with the product;
- * The finished product is NOT suitable for use in a conventional oven together with the product.

It is also specified that this statement only applies to the finished product we supply and cannot be extended to any alteration thereof.

- * **With respect to Germany, France and the other European countries which provide for the possibility of recycled fibre material being used in the manufacture of paper intended for food contact, the abovementioned product is suitable for contact with all types of foods (dry, moist and fatty), as well as human skin and mucous membranes.**
- * **For Italy, the abovementioned product is suitable for contact with dry foods.**

Sincerely
Antonello Strusi
Delegated Economic Operator
